

Total health starts with a **smile**

Cultivate whole-body wellness with oral care.

The **Kaiser Permanente Smile Kids** KPIF Embedded Dental EPO MD Value plan is designed to integrate with the state-mandated value health plans in Maryland for children under the age of 19. The plan covers a comprehensive range of preventive, diagnostic, and restorative services—with no waiting periods—and a robust selection of providers. Preventive care comes at little to no out-of-pocket cost. With the EPO plan, your children have the freedom to see any licensed dentist in our network while you pay a percentage of the cost.
