

Total health starts with a smile

Cultivate whole-body wellness with oral care

This dental plan offers the convenience of predictable costs, no deductibles, and no dollar limit on annual benefits. Members pay a copay only for services that they receive—there's no charge for preventive care office visits. The plan covers a comprehensive range of preventive, diagnostic, and restorative services (with no waiting periods) and a robust selection of providers. Preventive care comes at little to no out-of-pocket cost. This dental plan offers the freedom to see any licensed dentist within our network.
