Preventive dental plan

Your FCPS Kaiser Permanente Medicare Advantage plan includes preventive dental coverage through LIBERTY Dental Plan. With the Preventive dental plan, you pay a \$30 copayment for each preventive care office visit. This includes:

- Oral exams, up to two per year
- Cleanings, up to two per year
- Bitewing X-rays, up to two per year

More extensive care (fillings, crowns, dentures, root canals, periodontal treatment, oral surgery, etc.) is provided at a lower cost than usual for these services. When covered, specialty care services are performed by plan specialists and a different fee will apply. When you become a member, you'll receive an *Evidence of Coverage (EOC)* that includes the dental fee schedule and exclusions and limitations.

Choosing a dentist

For a list of participating dentists—or information about a particular dentist, such as office hours, directions, and languages spoken—visit **LibertyDentalPlan.com/kaiserdentists** or call LIBERTY Dental Plan Member Services at **1-888-650-1859 (TTY 711)**, Monday through Friday, 8 a.m. to 8 p.m.

Specialty care is also available in many locations. To receive treatment from a participating specialist, ask your participating general dentist to arrange a referral. Your costs may be higher for care you receive from a network specialist. Services received from nonparticipating dentists are not covered.

After you choose a dentist, you can make an appointment by calling your chosen dental office. You will receive a new LIBERTY Dental Plan ID card in the mail. Make sure you bring your LIBERTY Dental Plan ID card to your appointment.

Have questions? Call LIBERTY Dental Plan member services.

Quality service is an important part of any dental plan. LIBERTY Dental Plan Member Services specialists are available to answer questions about coverage or to help you find a participating dentist. Just call **1-888-650-1859 (TTY 711)**, Monday through Friday, 8 a.m. to 8 p.m.
