

A guide to your dental benefits:
Preventive Dental Plan

Something to smile about

When you enroll in a Kaiser Permanente Medicare health plan, you automatically receive preventive dental coverage through LIBERTY Dental Plan. With the Preventive Dental Plan, you pay a \$30 copayment for each preventive care office visit. This includes:

- Oral exams (up to two per year)
- Cleanings (up to two per year)
- Bitewing X-rays (one set per year)

Other covered dental services are provided at a reduced fee. Your dental and health plan providers—LIBERTY Dental Plan and Kaiser Permanente—are working together to help you stay healthy.

Save on restorative care

More extensive care (fillings, crowns, dentures, root canals, periodontal treatment, oral surgery, etc.) is provided at fees lower than the usual and customary charges for these services. When covered, specialty care services are performed by plan specialists and a different fee will apply. When you become a member, you'll find the fee schedule in your *Evidence of Coverage*.

Choosing a dentist

For a list of participating dentists or information about a specific dentist, including office hours, directions, and languages spoken, visit **LibertyDentalPlan.com/kaiserdentists** or call LIBERTY Dental Plan Member Services at **1-888-650-1859 (TTY 711)**, Monday through Friday, 8 a.m. to 8 p.m.

Specialty care is also available in many locations. To receive treatment from a participating specialist, ask your participating general dentist to arrange a referral. Your costs may be higher for care you receive from a network specialist. Services received from nonparticipating dentists are not covered.

How does the Preventive Dental Plan work?

After your effective date of coverage, you can make an appointment with a participating general dentist. Make sure you bring your LIBERTY Dental Plan ID card to your appointment. And you'll have virtually no paperwork and no pre-existing condition exclusions to worry about.

Dedicated member service

Quality service is an important part of any dental plan. Knowledgeable LIBERTY Dental Plan Member Services specialists are available Monday through Friday, 8 a.m. to 8 p.m., to answer questions about coverage or to help you find a participating dentist. LIBERTY Dental Plan's voice response system is available 24 hours a day for information about participating dental providers in your area or to help you select a dental provider.

The most up-to-date list of participating dental providers can be found online.
