Employee Vision Benefits

Kaiser Permanente Optical Shops deliver convenience, quality, and peace of mind.

kp2020.org

Convenience. You can find our eye care services in many of our medical centers, plus other services like primary care, pharmacy, and more. It's easy to take care of your health needs—including vision—in one trip. You don't even need a referral for a basic eye exam. To schedule an appointment, just call **855-839-5763 (TTY 711)**, 7 days a week, 7 a.m. to 11 p.m.

Quality. Choose from a wide selection of frames, lenses, and contact lenses to find the right fit for your lifestyle and budget. We carry brands like Calvin Klein, Nike, and Ray-Ban, plus a full line of sunglasses for both children and adults.

Peace of mind. Any glasses from Vision Essentials come with a 30-day total satisfaction guarantee. Speak with your local Vision Essentials provider for more information.

Child vision

(Age 18 and under, plus the full month of the member's 19th birthday)

For children, the State of Maryland offers compensation for various vision hardware listed below. The State of Maryland will pay the specific dollar amount, and the member pays any remaining cost.

This does **not** include spectacle lenses with add-ons, such as glare-resistant treatment, ultraviolet coating, progressive lenses, or transitional lenses.

VISION HARDWARE	ALLOWED BENEFIT
Frames	\$70
Single vision lenses	\$40
Bifocal lenses	\$60
Trifocal lenses	\$80
Lenticular lenses	\$100
Contact lenses	\$105
Medically necessary contact lenses	\$225

Pediatric eye exams

Get one routine eye exam per plan year without a referral, at no charge. A routine eye exam includes a vision check and various eye health tests for glaucoma, etc. This benefit is available to members 19 and under, lasting through the end of the month that they turn 19.

Pediatric lenses and frames

Get eyeglass frames and lenses at no charge from a Kaiser Permanente Optical Shop. Contact lenses, including medically necessary contact lenses, may be covered. This benefit is available to members 19 and under, lasting through the end of the month that they turn 19.

The value of the free pair of glasses may not be applied toward the cost of other glasses or contact lenses. However, there is an allowance for additional glasses or contact lenses.

Members may also be covered for glasses and contact lenses outside of the select group. See the sections below for details: **Eyeglass lenses**, **Eyeglass frames**, and **Contact lenses**.

Eyeglass lenses

Includes any regular eyeglass lenses with a refractive value. If only one eye needs correction, we also provide a balance lens for the other eye.

Eyeglass frames

Includes original fitting of the frames, adjustment of frames, and mounting eyeglass lenses in the frame.

Contact lenses

Includes a first-time fitting for contact lenses at a [Kaiser Permanente Optical Shop](#). A first-time fitting includes the use of diagnostic lenses to check the fit, training to insert and remove contact lenses, and three months of follow-up visits.

Adult vision

(Age 19 and older)

VISION HARDWARE	ALLOWED BENEFIT
Frames	\$45
Single vision lenses	\$52
Bifocal lenses	\$82
Trifocal lenses	\$101
Lenticular lenses	\$181
Contact lenses	\$97
Medically necessary contact lenses	\$285
EYE EXAMS	ALLOWED BENEFIT
Routine (once per plan year—no referrals)	No charge
Non-routine	\$15 per visit

For additional information regarding your vision benefits, including a complete list of exclusions and limitations, please see your [Evidence of Coverage](#).

Vision services coverage and exceptions (for adults)

We cover medically necessary treatment for eye injuries and diseases. Such treatment shall be covered to the same extent as for other medically necessary treatments for illness or injury.

This does **not** include:

- Vision correction, including vision checks and prescriptions for corrective lenses
- Contact lenses services, including vision checks, fittings, and follow-up visits
- Eyeglass lenses and frames
- Sunglasses without corrective lenses (unless medically necessary)
- Orthoptic therapy, including eye training and exercises
- Any eye surgery intended to correct vision rather than an injury or disease

Eye exams coverage and exceptions (for adults)

We cover routine and medically necessary eye exams. This includes vision checks and various eye health tests for glaucoma, etc.

This does **not** include:

- Contact lenses services, including vision checks, fittings, and follow-up visits
- Orthoptic therapy, including eye training and exercises
- Any eye surgery intended to correct vision rather than an injury or disease
- Replacement of lost or broken lenses or frames
