Preventive dental plan

When you enroll in a Kaiser Permanente Medicare health plan, you automatically receive preventive dental coverage through LIBERTY Dental Plan. With the Preventive dental plan, you pay a \$30 copayment for each preventive care office visit. This includes:

- Oral exams, up to two per year
- Cleanings, up to two per year
- Bitewing X-rays, up to two per year

More extensive care (fillings, crowns, dentures, root canals, periodontal treatment, oral surgery, etc.) is provided at a lower cost than usual for these services. When covered, specialty care services are performed by plan specialists and a different fee will apply. When you become a member, you will receive an *Evidence of Coverage (EOC)* that includes the dental fee schedule and exclusions and limitations.

Choosing a dentist

For a list of participating dentists—or information about a particular dentist, such as office hours, directions, and languages spoken—visit **LibertyDentalPlan.com/kaiserdentists** or call LIBERTY Dental Plan Member Services at **1-888-650-1859 (TTY 711)**, Monday through Friday, 8 a.m. to 8 p.m.

Make an appointment by calling your chosen dental office. Make sure you bring your LIBERTY Dental Plan ID card to your appointment.
