Medicare Part D prescription drug coverage†

The amount you pay for drugs will be different depending on:

- The tier your drug is in. There are 6 drug tiers. To find out which of the 6 tiers your drug is in, see our Part D formulary at kp.org/seniorrx or call Member Services to ask for a copy at **1-888-777-5536**, seven days a week, 8 a.m. to 8 p.m. (TTY **711**).
- The day supply quantity you receive (like a 30-day or 90-day supply). Note: A supply greater than a 30-day supply isn't available for all drugs.
- The type of network pharmacy that fills your prescription (preferred retail pharmacy, standard retail pharmacy, or our mail-order pharmacy). See the **Pharmacy Directory** for our list of network pharmacies at kp.org/directory.
- The coverage stage you're in (initial or catastrophic coverage stages).
- Important Message About What You Pay for Insulin** – You won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on.
- Important Message About What You Pay for Vaccines** – Our plan covers most Part D vaccines at no cost to you.

Deductible Stage

Because we have no deductible, this payment stage does not apply to you and you start the year in the initial coverage stage.

Initial coverage stage

You pay the copays and coinsurance shown in the chart below until you have spent **\$7,400** in 2023. If you spend **\$7,400** in 2023, you move on to the catastrophic coverage stage and your coverage changes.

Tier	Plan C+ with Part D				
	Preferred Pharmacy (up to a 60-day supply)	Standard Pharmacy (up to a 60-day supply)	OON Pharmacy (up to a 30-day supply)	LTC Pharmacy (up to a 31-day supply)	Mail Order (up to a 90-day supply)
Tier 1 (Preferred Generic)	\$5	\$10	\$5	\$5	\$3
Tier 2 (Generic)	\$5	\$10	\$5	\$5	\$3
Tier 3 (Preferred Brand)	\$5	\$10	\$5	\$5	\$3
Tier 4 (Non-Preferred Brand)	\$5	\$10	\$5	\$5	\$3
Tier 5 (Specialty Tier)	\$5	\$10	\$5	\$5	\$3
Tier 6 (Vaccines)	\$0	\$0	\$0	\$0	Not Available

Many drugs can be mailed to you through our network mail-order pharmacy (not all drugs can be mailed).

Catastrophic coverage stage

If you or others on your behalf spend **\$7,400** on your Part D prescription drugs in 2023, you'll enter the catastrophic coverage stage. Most people never reach this stage, but if you do, your copays and coinsurance will change for the rest of 2023. You'll pay \$1 for generic drugs and \$2.50 for brand-name drugs and \$0 for vaccines.

Long-term care, plan home-infusion, and non-plan pharmacies

- If you live in a **long-term care facility** and get your drugs from their pharmacy, you pay the same as at a retail plan pharmacy and you can get up to a 31-day supply.
- Covered Part D **home infusion** drugs from a plan home-infusion pharmacy are provided at no charge.
- If you get covered Part D drugs from a **non-plan pharmacy**, you pay the same as at a retail plan pharmacy and you can get up to a 30-day supply. Generally, we cover drugs filled at a non-plan pharmacy only when you can't use a network pharmacy, like during a disaster. See the **Evidence of Coverage** for details.

Coverage rules

We cover the services and items listed in this document and the **Evidence of Coverage**, if:

- The services or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare's standards.
- You get all covered services and items from plan providers listed in our **Provider Directory** and **Pharmacy Directory**. But there are exceptions to this rule. We also cover:
 - o Care from plan providers in another Kaiser Permanente Region
 - o Emergency care
 - o Out-of-area dialysis care
 - o Out-of-area urgent care (covered inside the service area from plan providers and in rare situations from non-plan providers)
 - o Referrals to non-plan providers if you got approval in advance (prior authorization) from our plan in writing

Note: You pay the same plan copays and coinsurance when you get covered care listed above from non-plan providers. If you receive non-covered care or services, you must pay the full cost.

For details about coverage rules, including services that aren't covered (exclusions), see the **Evidence of Coverage**.

Getting care

At most of our plan facilities, you can usually get all the covered services you need, including specialty care, pharmacy, and lab work. You aren't restricted to a particular plan facility or pharmacy, and we encourage you to use the plan facility or pharmacy that will be most convenient for you. To find our provider locations, see our **Provider Directory** or **Pharmacy Directory** at kp.org/directory or ask us to mail you a copy by calling Member Services at **1-888-777-5536**, 7 days a week, 8 a.m. to 8 p.m. (TTY **711**).

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Your personal doctor

Your personal doctor (also called a primary care physician) will give you primary care and will help coordinate your care, including hospital stays, referrals to specialists, and prior authorizations. Most personal doctors are in internal medicine or family practice. You may choose any available plan provider to be your personal doctor. You can change your doctor at any time and for any reason. You can choose or change your doctor by calling Member Services or at kp.org/doctor.

Help managing conditions

If you have more than 1 ongoing health condition and need help managing your care, we can help. Our case management programs bring together nurses, social workers, and your personal doctor to help you manage your conditions. The program provides education and teaches self-care skills. If you're interested, please ask your personal doctor for more information.

Notices

Appeals and grievances

You can ask us to provide or pay for an item or service you think should be covered. If we say no, you can ask us to reconsider our decision. This is called an appeal. You can ask for a fast decision if you think waiting could put your health at risk. If your doctor agrees, we'll speed up our decision.

If you have a complaint that's not about coverage, you can file a grievance with us. See the **Evidence of Coverage** for details about the processes for making complaints and making coverage decisions and appeals, including fast or urgent decisions for drugs, services, or hospital care.
