## Greetings

Welcome to Kaiser Permanente Medicare Advantage. We're glad to be your partner on this journey, and we look forward to a long and healthy relationship with you.

This reference guide will help you make the most of your Kaiser Permanente Medicare Advantage membership. It puts important information at your fingertips, including how to get care, important phone numbers, and information about Urgent Care centers. You will also find information about pharmacies and getting care away from home.

If you are new to Kaiser Permanente, this reference guide will walk you through the most important steps to accessing your membership. You can also call the New Member Activation Desk at **1-855-392-4851 (TTY 711)**, Monday through Friday, 7 a.m. to 7 p.m. or visit [kp.org/newmember](https://kp.org/newmember) to learn more. The sooner you choose a doctor and sign up for an account on our website, the more you'll get out of your new health plan.

We encourage you to take a few minutes to read through this brochure and keep it nearby for quick reference.

If you have any questions about your Kaiser Permanente Medicare Advantage plan, call us at **1-888-777-5536 (TTY 711)**. Take advantage of all that life has to offer by being as healthy as you can be.

Israel Rocha  
Regional President, Kaiser Permanente

### Let's get started

Making the most of your membership takes only 3 easy steps. Ready to go?

Your plan is governed by an agreement called an *Evidence of Coverage (EOC)*. In the event of ambiguity or conflict between this reference guide and the *EOC*, the *EOC* shall prevail. To view your *Evidence of Coverage*, visit [kp.org/eocmas](https://kp.org/eocmas).

# Step 1 Create your online account on [kp.org](https://kp.org)

## Start using our secure website, [kp.org](https://kp.org), to manage your health on your time<sup>1</sup>

Visit [kp.org](https://kp.org) anytime, from anywhere, to:

- Schedule an appointment to see physicians and providers by video visit.<sup>2</sup>
- View most lab results.
- Refill most prescriptions.
- Email your doctor's office with nonurgent questions.
- Schedule and cancel routine appointments.
- Print vaccination records for school, sports, and camp.
- Manage a family member's health care.
- Get a personalized cost estimate.
- Use our Chat with KP feature.

### Caregiver access

Caregivers can access certain features of [kp.org](https://kp.org) for loved ones who are members of Kaiser Permanente. Nonmembers can be caregivers on [kp.org](https://kp.org) as long as they're at least 18 years old and have either:

- Permission from you, or
- Legal rights to make health care decisions on your behalf, or
- Legal rights to access your health care information

To set up an account, go to [kp.org/register](https://kp.org/register). Under [My Account](#) click on [Profile and preferences](#). Then select [Act for a family member](#). On the next page, select [Add a caregiver for yourself](#) and enter the caregiver's information.

### Creating an account is easy

Go to [kp.org/newmember](https://kp.org/newmember) from a computer or mobile device and follow the sign-on instructions. You'll need your medical record number, which you can find on your member ID card.

Next, take a few minutes to complete the Kaiser Permanente Medicare Total Health Assessment, which provides us an overview of your medical history and allows us to provide the best care for you.

<sup>1</sup>These features are available when you get care at Kaiser Permanente facilities.

<sup>2</sup>When appropriate and available. If you travel out of state, phone appointments and video visits may not be available in select states due to licensing laws. Laws differ by state.

## PERSONALIZE YOUR **KP.ORG** EXPERIENCE:

Use your member ID card and our new Member Photo Upload feature to add your digital image to **kp.org**.

### Download the **Kaiser Permanente app**<sup>1</sup>

Now you can download the Kaiser Permanente app to your smartphone.

1. From your smartphone, go to your preferred app site: App Store<sup>SM</sup> (iOS) or Google Play<sup>®</sup> (Android<sup>TM</sup>).<sup>2</sup>
2. Search for the Kaiser Permanente app, then download it to your smartphone.
3. Use your **kp.org** user ID and password to activate the app, and you'll be ready to go.

### Digital membership card

Access your membership information anytime, anywhere, with an electronic version of your membership card to:

- Check in for appointments.
- Pick up prescriptions.
- Access your family's membership information.

To use your digital membership card, tap the card icon at the bottom of the Kaiser Permanente app dashboard.

<sup>1</sup>To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

<sup>2</sup>Apple is a trademark of Apple, Inc., registered in the U.S. and other countries. App Store is a service mark of Apple, Inc. Google Play and Android are trademarks of Google, Inc.

## Step 2 Choose your doctor—and change anytime

Select an available Kaiser Permanente doctor and change to another available Kaiser Permanente doctor anytime, for any reason

### Choose the right Kaiser Permanente doctor for you

To help you find a personal doctor (also called a primary care physician) who's right for you, you can browse our online doctor profiles. There, you'll see information related to their education, credentials, specialties, and interest areas, as well as whether or not they're accepting new patients.

Women up to age 75 should choose an ob-gyn in addition to their primary care physician.

### You can choose a personal doctor with any of these specialties:

- Adult medicine/internal medicine
- Family medicine
- Ob-gyn
- Pediatrics/adolescent medicine (for children up to 18)

Each covered family member may choose their own personal doctor. If you do not choose a primary care physician or ob-gyn within the first 30 days of enrollment, one will be assigned to you.

If the doctor you'd like to select isn't accepting new patients, you can call us at **1-800-777-7904** (TTY **711**) for assistance.

### Your physician network

A physician network is a group of doctors and other providers who are contracted to give health care services to plan members. Your network includes physicians in the Mid-Atlantic Permanente Medical Group, P.C., who practice in Kaiser Permanente medical centers. You may also choose network physicians for primary care and obstetrics-gynecology. Network physicians are in private practice in the community and do not practice at Kaiser Permanente medical centers. You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Kaiser Permanente will be responsible for the costs.

To access our online provider directory, visit **kp.org/directory**. To request a copy of the provider directory, please call Member Services at **1-888-777-5536** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m.

Out-of-network/non-contracted providers are under no obligation to treat plan members, except in emergency situations. Please call our customer service number or see your *Evidence of Coverage* for more information, including the cost-sharing that applies to out-of-network services.

## Change your doctor anytime

You can choose an available Kaiser Permanente doctor, by visiting [kp.org/doctor](https://kp.org/doctor), or you can call us for assistance at **1-800-777-7904** (TTY **711**), 24 hours a day, 7 days a week. You can change to another available Kaiser Permanente doctor at any time.

## Notification of physician changes

If your doctor leaves our network or changes office locations, we will mail you a letter explaining the change and when the change is effective. Typically, another physician will be named to take your doctor's patients. However, if you would like to make your own selection, you may do so at any time. If your physician is just moving to another location, you may choose to continue seeing them at the new location.

### Choose online

Go to [kp.org/doctor](https://kp.org/doctor) to browse our doctor profiles and find an available doctor who matches your needs. You can also call **1-800-777-7904** (TTY **711**), 24 hours a day, 7 days a week.

### Choose by phone

Call us at **1-888-777-5536** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m. Once you've decided on a doctor, we can help you schedule your first appointment.

## Step 3 Get prescriptions

### We make it easy to get your prescriptions

We have two ways to help you transfer your prescriptions from your current pharmacy to a Kaiser Permanente pharmacy.

- Go to [kp.org/newmember](https://kp.org/newmember) and follow the steps to complete the online form.
- Simply choose a Kaiser Permanente pharmacy at [kp.org/facilities](https://kp.org/facilities) and call us.

Remember to contact us before you need a refill, as it can take 3 or more business days to transfer your prescriptions.

### Here's what you'll need

To transfer a prescription, please have the following information ready when you call:

- Your Kaiser Permanente medical record number
- The name and telephone number of your current pharmacy
- The name, strength, and directions for use of the prescribed medication
- The prescription number of the prescribed medication

### Mail Order Pharmacy

Get medications in 3 to 5 business days and at no cost with Mail Order Pharmacy.<sup>1</sup> Register at [kp.org](https://kp.org) or download the Kaiser Permanente app to start using this service, or call **1-800-700-1479** (TTY **711**), 24 hours a day, 7 days a week. Some prescriptions are available for same-day and next-day delivery for a small fee; members with eligible prescriptions can select this option at checkout.

### Medication reminder service

Remembering to take medication is important for your health care. Our reminder service—offered via the Kaiser Permanente app—can send you alerts about what dose of your medications to take and when, making it easier for you to keep track.

Creating a reminder is easy:

1. In the Kaiser Permanente app, go to the pharmacy section.
2. In the medication list, tap the medication you want to view.
3. Under prescription details, toggle on [Reminders to Take](#).

<sup>1</sup>Some medications are not eligible for Mail Order Pharmacy. Mail Order Pharmacy can deliver to addresses in MD, VA, DC, and certain locations outside the service area.

## Using network pharmacies

You may also have access to participating network pharmacies, including Giant, Harris Teeter, Rite Aid, Safeway, Walgreens, Walmart, and others. You will not be able to use the Kaiser Permanente Mail Order Pharmacy if you fill your prescriptions using network pharmacies. Check your plan document to see if your plan gives you access to network pharmacies.

For a list of Kaiser Permanente pharmacies and phone numbers, see page 12.

### Get prescription refills by phone

Call us at **1-800-700-1479** (TTY 711), 24 hours a day, and follow the prompts to order prescriptions or check status.

### Get prescription refills online

Register on **kp.org** or the Kaiser Permanente app<sup>1</sup> to request refills for most prescriptions online.

### What drugs are covered?

Visit **kp.org/seniorrx** for a list of approved drugs. You can also call Member Services to request a printed copy of the formulary. Please check **kp.org/seniorrx** regularly for changes to the list of approved drugs.

### Picking up your order

You can fill your prescriptions at the Kaiser Permanente pharmacies located in our medical centers. Just visit **kp.org/facilities** and select the Kaiser Permanente pharmacy where you'd like to pick them up.

<sup>1</sup>To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

# Getting care

## Member ID card

You will receive your member ID card in the mail. You'll need this card to make appointments, fill prescriptions, and receive medical services. Your member ID card is issued to you, and only you may use it.<sup>1</sup>

Keep your ID card with you at all times. If you lose your ID card, call Member Services at **1-888-777-5536** (TTY **711**) or go to My Health Manager on **kp.org** to request a replacement. You'll be asked to show a valid, government-issued photo ID in addition to your member ID card when you check in for an appointment at a Kaiser Permanente facility. If you have not received your member ID card, your valid,

government-issued ID can serve as a temporary ID card.

If your ID card is lost or stolen, go to **kp.org** to request a replacement, or call Member Services. Your Kaiser Permanente ID card is the only card you should use to get covered medical services. Please keep your red, white, and blue Medicare card in a safe place in case you need it later.

## Digital membership ID card<sup>2</sup>

You can access a digital version of your membership ID card on the Kaiser Permanente app.<sup>3</sup>

To access your Kaiser Permanente mobile membership ID card, register at **kp.org** and then download the Kaiser Permanente app from your favorite app store. To use your digital membership card, tap the card icon at the bottom of the Kaiser Permanente app dashboard.

## Transportation to medical appointments<sup>4</sup>

Your plan includes 24 rides for nonemergency medical appointments at Kaiser Permanente medical centers and contracted facilities within the service area. To schedule a ride or request your ride balance, visit **kpmas.member.saferidehealth.com** or call **1-855-932-5412**, 24 hours a day, 7 days a week. To ensure availability, schedule your ride as soon as possible, but no later than 2 hours prior to your appointment. Rides canceled within 3 hours of scheduled pickup time will be deducted from your ride allowance.

<sup>1</sup>Letting another person use your ID card for care is considered fraud, and can result in your coverage being terminated.

<sup>2</sup>The digital membership ID card is not available with all Kaiser Permanente Medicare health plans.

<sup>3</sup>To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

<sup>4</sup>Twenty-four one-way rides per contract year. For nonemergency transportation only.

# Getting virtual care with Kaiser Permanente

Virtual care allows members to see their personal doctor—as well as any specialists they’ve been referred to—by video, phone, or email, usually for no copay.<sup>1</sup> When you need medical attention, you can start your journey using any of our virtual care options after registering and logging on to [kp.org](https://kp.org) and downloading the Kaiser Permanente app.<sup>2</sup>

**Get Care Now with a Clinician** 24/7 on-demand service with next available clinician - no appointment is needed for Urgent Care that can be addressed virtually

**E-visits** for personalized advice in 1 hour or less

**Email** consultations with your doctor

**24/7** advice line and online chat

During a virtual visit, your doctor can access your digital health record and consult with other physicians, so your care is seamless, convenient, and connected. All of your post-visit information, prescriptions, lab results, immunization status, emails, and more are available and secure with [kp.org](https://kp.org) and the Kaiser Permanente app.<sup>2</sup>

For more information on your telehealth options and how to join a video visit, go to [kp.org/getcare](https://kp.org/getcare).

<sup>1</sup>When appropriate and available. If you travel out of state, phone appointments and video visits may not be available in select states due to licensing laws. Laws differ by state.

<sup>2</sup>To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on [kp.org](https://kp.org).

# Preventive care

Preventive care is key to how we practice medicine at Kaiser Permanente. It can help you avoid some health issues and catch others before they become serious. Your health care team is here to help you make the right choices at the right times. Preventive care needs depend on:

- Age
- Gender
- Health habits
- Personal health history

Find out what screenings you need at every stage of life online at [kp.org/prevention](https://kp.org/prevention). We also recommend that you sign up for [kp.org](https://kp.org) and, once registered, that you complete the Kaiser Permanente Medicare Total Health Assessment. This will give you a prevention plan that meets your needs and addresses what matters to you. You'll also find other tools and resources there.

## Copays for preventive care

With Medicare Advantage, you pay \$0 copay for most preventive care. This includes routine physicals and certain screenings and tests (such as mammograms). So there's no need to delay making your first appointment with your doctor.

Sometimes during an appointment for a preventive care visit, the doctor will want to do something that is not considered preventive care. For example, during your routine appointment, the doctor may find a mole that needs to be removed for testing. Because that's not covered as preventive care, you'll be asked to pay a copay for the service. In most cases, you'll get a bill in the mail for such additional, non-preventive services.

# Specialty care

## Referrals to specialists

Kaiser Permanente doctors and other network providers offer primary care, pediatric services, ob-gyn services, and specialty care—including but not limited to orthopedics, general surgery, dermatology, neurology, cardiology, and gastroenterology. If your primary care physician decides, in consultation with you, that you require medically necessary and appropriate services, you may be referred to a Kaiser Permanente doctor or other network provider for that service. The referral that has been entered by your primary care provider or attending specialist must be authorized before you receive nonemergency specialty care services.

Your primary care physician or specialist may refer you to an out-of-network provider. Services from out-of-network providers will be authorized only if not available from network providers. You must have an authorized referral to the out-of-network provider in order for us to cover the services and/or supplies. If the referral to an out-of-network provider is appropriately authorized, you pay only the copayments you would have paid if a network provider had provided the service and/or supplies.

Please see your *Evidence of Coverage* (EOC) for details.

If you have any questions regarding the status of your referral or denied services or would like to request a copy of any guideline or other criteria (provided at no charge) used in any decision regarding your care, please contact Member Services at **1-888-777-5536** (TTY 711).

Out-of-network/non-contracted providers are under no obligation to treat Kaiser Permanente members, except in emergency situations. Please call our customer service number or see your *Evidence of Coverage* for more information, including the cost sharing that applies to out-of-network services.

## Specialty care (continued)

### See certain specialists without a referral

You don't need a referral for the following specialties—just call for an appointment.

<b>Behavioral health</b> Initial consultation for outpatient treatment for mental illness, emotional disorders, chemical dependency, and addiction medicine.	<b>1-800-777-7904</b> (TTY 711)	Monday through Friday, 8:30 a.m. to 5 p.m. (closed holidays)
<b>Vision care</b> No referral is needed for routine eye exams, glaucoma screenings, and cataract screenings.	<b>1-800-777-7904</b> (TTY 711)	24 hours a day, 7 days a week
<b>Dental</b> For details, see page 23.	LIBERTY Dental Plan Member Services at <b>1-888-650-1859</b> (TTY 711)	Monday through Friday, 8 a.m. to 8 p.m.

For other types of specialty care, your doctor will refer you.

## Getting a second opinion

If you need a second opinion, your primary care physician or specialist will help coordinate this for you. Kaiser Permanente Medicare Advantage will cover it, as long as you visit another Kaiser Permanente Medicare Advantage provider with an authorized referral from your primary care physician. If you get services from any doctor, hospital, or other health care provider without getting an authorized referral in advance (except for emergency care or urgently needed care received outside the service area), you may have to pay for these services yourself, even if you get the services from a network provider.

## Vision care

Your plan includes routine eye exams, glaucoma screenings, and cataract screenings at Vision Essentials by Kaiser Permanente (located in our medical centers). You also receive an allowance on glasses or contact lenses. For additional information about your vision benefits, see your *Evidence of Coverage (EOC)*.

To view a list of Vision Essentials locations, visit [kp2020.org](https://kp2020.org).

## Preventive dental

Your health plan includes dental coverage through LIBERTY Dental Plan. You pay \$30 for preventive care office visits.

This includes:

- Oral exams (up to two per year)
- Cleanings (up to two per year)
- Bitewing X-rays (up to one set per year)

Other covered dental services are provided at a reduced fee.

## Save on restorative care

More extensive care (fillings, crowns, dentures, root canals, periodontal treatment, oral surgery, etc.) is provided at fees lower than the usual and customary charges for these services. When covered, specialty care services are performed by plan specialists and a different fee will apply.

## Appointments and ID card

Make an appointment by calling your chosen dental office.

You'll receive a LIBERTY Dental Plan ID card in the mail. Bring your ID card to your dental appointments.

# Extra Help for Medicare Part D prescription drug plan costs

People with limited incomes may qualify for the Extra Help program, which can help pay for their prescription drug costs. If you qualify, you can get help paying for your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty.

Many people are eligible for these savings and don't even know it. For more information about Extra Help, call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

If you qualify for Extra Help for your Medicare Part D prescription drug plan costs, the amount of your monthly premium may be lower. Your cost at the pharmacy will be lower. Once you have enrolled in a Kaiser Permanente Medicare Advantage plan with Medicare Part D prescription drug coverage, Medicare will tell us how much Extra Help you're receiving, and we'll let you know the amount you'll pay.

The State of Maryland also provides prescription drug assistance through the Senior Prescription Drug Assistance Program (SPDAP) to Medicare beneficiaries with income below certain levels who enroll in a Part D prescription drug plan. Subsidies from the Maryland SPDAP can reduce out-of-pocket Part D premiums for eligible individuals. Interested individuals can apply by calling **1-800-551-5995** toll free, Monday through Friday, 8 a.m. to 5 p.m. (TTY **1-800-877-5156**).

You can read most results online soon after the lab completes your tests, sometimes the same day.</p> <p>If your lab tests are not performed in a Kaiser Permanente medical center, follow your referring physician's instructions about how to receive your test results.</p>
<p><b>Transferring medical records</b></p> 	<p>To make your transition to Kaiser Permanente as seamless as possible, please bring the following documents to your first appointment: lists of your allergies, medications, medical conditions, surgeries, cancer screening tests, and immunizations. Please also provide a list of your current and/or recent physicians, including addresses.</p> <p>Kaiser Permanente doctors can often access your digital health record from your previous physicians. If your Kaiser Permanente doctor determines that additional information is needed, they'll provide you with a Targeted Request for Medical Records Form, which you'll submit to your previous physician(s) for those specific records.</p> <p>If you already have your records, you can contact our Health Information Management Services (HIMS) Department by email at <b>mashimspmr@kp.org</b>, or by fax at <b>1-855-902-4974</b>. We will only include specific documents in your Kaiser Permanente medical chart. Please also bring records to your first appointment.</p>

- If you need urgent care in a state without Kaiser Permanente, go to the nearest CVS MinuteClinic®, Concentra Urgent Care, or urgent care facility.<sup>1</sup>
- If you receive urgent or emergency care outside the service area (anywhere outside the District of Columbia, and parts of Maryland and Virginia), you will need to submit bills for reimbursement.<sup>2</sup> You're also covered for urgent and emergency care from any non-Kaiser Permanente provider worldwide.

## In other Kaiser Permanente service areas

A wide range of care may be available to you in other Kaiser Permanente areas, including routine, urgent, or emergency care. Always contact Member Services at **1-888-777-5536** (TTY **711**) to learn what your coverage options are, as plans vary.

## Medical claims

There may be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should send this bill to us instead of paying it. We'll look at the bill and decide whether the services should be covered.

If we decide they should be covered, we'll pay the provider directly. Send us your request for payment, along with your bill and documentation of any payment you've made. Write your member ID number on each page of the bill and supporting documentation before you submit it. It's a good idea to make a copy of your bill and receipts for your records.

To make sure you are giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment. You don't have to use the form, but it will help us process the information faster. You can file a claim to request payment by:

- Completing and submitting our electronic form at **kp.org** and upload supporting documentation.
- Either download a copy of the form from **kp.org** or call Member Services at **1-888-777-5536 (TTY 711)** and ask them to send you the form. Mail the completed form to our Claims Department (see address in the next column).
- If you are unable to get the form, you can file your request for payment by sending the following information to our Claims Department:
  - A statement with the following information:
    - Your name (member/patient name) and medical/health record number
    - The date you received the services
    - Where you received the services
    - Who provided the services
    - Why you think we should pay for the services
    - Your signature and date signed (If you want someone other than yourself to make the request, we'll also need a completed "Appointment of representative" form, which is available at **kp.org**.)
  - A copy of the bill, your medical record(s) for these services, and your receipt if you paid for the services

Mail your request for payment together with any bills or paid receipts to us at this address:

Mid-Atlantic Claims Administration  
Kaiser Permanente  
P.O. Box 371860  
Denver, CO 80237-9998

You must submit your claim to us within 12 months (for Part C medical claims) or within 36 months (for Part D drug claims) of the date you received the service. Contact Member Services if you have any questions. If you don't know what you should have paid, or you receive bills and you don't know what to do about those bills, we can help. You can also call if you want to give us more information about a request for payment that you have already sent to us. For more information, please see your *Evidence of Coverage*.

# Claims (continued)

## Pharmacy claims

Submission of a prescription drug paper claim is restricted to those situations when online Part D claims processing is not available to you at the point-of-sale. When you go to a network pharmacy, your prescription drug claim is automatically submitted to us by the pharmacy. Therefore, we'll not accept paper claims for Part D drugs purchased at network pharmacies.

If you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you'll have to pay the full cost of your prescription drug and then ask us to reimburse you for our portion of a covered drug. You must submit your prescription drug paper claim within 36 months of the date of service, but we recommend you send it to us as soon as possible.

We will only cover prescription drug paper claims for Part D drugs purchased at out-of-network pharmacies under the following conditions:

- If you are traveling within the US, but are outside our service area and become ill, we'll cover prescriptions for covered drugs filled at a non-affiliated out-of-network pharmacy if the prescription is related to care for a medical emergency or urgently needed care; or
- If you are unable to obtain a covered drug in a timely manner within our service area because there is no affiliated network pharmacy that provides 24-hour service within a reasonable driving distance; or
- If you are trying to fill a prescription for a covered drug that is not regularly stocked at an accessible affiliated network
- pharmacy or mail order delivery service (these drugs include orphan drugs or other specialty pharmaceuticals).
- Name, address, and phone number of the prescribing physician
- Name, address, and phone number of the pharmacy where the drug was purchased
- If an injection, whether or not the drug was self-administered or administered by a doctor, hospital, or other medical personnel. If not self-administered, provide a copy of the doctor's authorization for the injection.
- Receipt showing you paid for the drug

Be sure to write your medical record number (located on your member ID card) on each document and send your claim to us at:

Mid-Atlantic Claims Administration  
Kaiser Permanente  
P.O. Box 371860  
Denver, CO 80237-9998

You can find a pharmacy claim form at <https://k-p.li/3klA555>. You'll need to include the following information with your prescription drug paper claim:

- Member name, address, and phone number
- Medical record number
- The prescription number
- The name, strength, and quantity of the drug prescribed
- NDC number (a national drug code)

We'll reimburse you for the covered amount minus any copayments or coinsurance that is your responsibility to pay.

If your claim for payment is denied, you have the right to appeal the decision. Please refer to your current *Evidence of Coverage* for specific details, including levels of review and your right to appeal the denial decision.

For more information about claims, please call Member Services at **1-888-777-5536** (TTY **711**).

# Moving and disenrollment

## Letting us know when you move

If you change your home address, please let us know as quickly as possible. If you move outside of our plan service area, you cannot remain a member of our plan. Please see your current *Evidence of Coverage* for more information on a temporary absence or a permanent move outside the Kaiser Permanente Medicare Advantage service area.

## Voluntary disenrollment

You may choose to end your membership in Kaiser Permanente Medicare Advantage for any reason. There are some limits on when and how often you may change the way you get Medicare and what choices you can make when you change.

If you would like more information about when and how you can end your membership, refer to your *Evidence of Coverage* or call Member Services at **1-888-777-5536** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m.

You may also disenroll by calling Medicare toll free at **1-800-MEDICARE** (TTY **1-877-486-2048**), 24 hours a day, 7 days a week. Even though you request disenrollment, you must continue to receive in-network covered services from Kaiser Permanente Medicare Advantage providers until the effective date of your disenrollment.
