

3 EASY STEPS

GETTING STARTED WITH KAISER PERMANENTE

This quick-start guide will help you get the most out of your new Kaiser Permanente Medicare health plan. Additional details can be found in the Kaiser Permanente Medicare Advantage (HMO) handbook.

Need help getting started?

A new member onboarding agent will call to help you get started. You can also call our New Member Activation Desk at **1-855-392-4851 (TTY 711)**, Monday through Friday, 7 a.m. to 7 p.m. Our onboarding agents can help you with everything from choosing a doctor, registering on **kp.org**, transferring your prescriptions, and making your first doctor's appointment in person or by phone or video.¹

1 Register at **kp.org**

Visit **kp.org**, your online gateway to great health, where you can:

- Email your doctor's office
- View most lab results
- Schedule routine appointments
- Refill prescriptions, and so much more²

2 Choose your doctor

Browse our online doctor profiles at **kp.org/doctor** to choose an available Kaiser Permanente physician. You can switch to another available Kaiser Permanente doctor at any time.

3 Transfer your prescriptions³

Visit **kp.org/newmember** to transfer your prescriptions. Have this info ready:

- Your prescription number(s)
- Your pharmacy's name and phone number

If you need assistance or want to fill a prescription before your first appointment, call the New Member Activation Desk at **1-855-392-4851 (TTY 711)**, Monday through Friday, 7 a.m. to 7 p.m.

Make your first appointment

Once you've completed the 3 simple steps, make an appointment with your new doctor by visiting **kp.org/appointments** or calling the New Member Activation Desk at **1-855-392-4851 (TTY 711)**, Monday through Friday, 7 a.m. to 7 p.m. Choose our convenient virtual care options and visit with your doctor by phone or video.¹

Prescription refills

After your prescriptions have been transferred, you can get refills by mail.⁴ Simply sign into your **kp.org** account, select "Pharmacy," and choose the mail-order option. Or call the prescription refill line at **1-800-700-1479 (TTY 711)**.

¹ When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors and health care providers from providing care across state lines. Laws differ by state.

² These features apply to care you get at Kaiser Permanente facilities.

³ Not all Kaiser Permanente Medicare Advantage plans include outpatient prescription drugs. Please consult your *Evidence of Coverage* for details.

⁴ Some medications are not eligible for Mail Order Pharmacy. Mail Order Pharmacy can deliver to addresses in MD, VA, DC, and certain locations outside the service area.
